

How to Search for Available Properties

Find a Property

The “Find a Property” menu allows you to search for available properties and view maps associated with the property. Each tract of land available for licensing is identified by a Recreational License Unit (RLU) number. Hunting clubs are allowed to bid on as many RLUs as they like.

Find a Property Portal

The “Find a Property Portal” allows you to search for properties available for licensing in your area. Land available for licensing is listed geographically by state and county. If your preferred county is not listed, then we do not currently have any property available for hunting in that county. Search results can be sorted by using the drop down arrow at the top of the Search Results (RLU, price, and acres).

The screenshot displays the Rayonier website's search interface. At the top, the navigation menu includes 'HOME', 'FIND A PROPERTY' (highlighted with a red circle), 'HELP', 'WA & OR PERMITS', 'ACCOUNT LOGIN', and 'CREATE ACCOUNT'. Below the navigation, the 'Find A Property Portal' section features a search area with a 'State' dropdown menu (highlighted with a red circle) and a 'County' dropdown menu. A 'Clear' button is located to the right of the county dropdown. Below the search area is a map of the United States showing available properties as red and yellow markers. The map includes a legend for 'Open' (green square), 'Licensed' (red square), and 'Food Plots' (yellow triangle). The map also shows state and county boundaries, major cities, and geographical features. To the right of the search area, there is a 'FIND OTHERS' section with links for 'Find a Club in Your Area' and 'Find Members in Your Area'. Below this is a 'USEFUL TIPS' section with links for 'How to Create Your Account', 'How to Process Your Renewal', and 'How to Search for Available Properties'. At the bottom right, there is a 'CONTACT US' section with the phone number '1-855-RAY-HUNT (1-855-729-4868)' and the email address 'hunting@rayonier.com'. A 'SUBSCRIBE TO OUR MAILING LIST' button is also present.
